

Information for Poster Presenters

Posters will be displayed in the Event Hall (1F)

Poster Preparation

- Please note that each poster will be displayed for roughly half a day (including presentation). Please note that this procedure differs from past meetings.

There will be two poster sessions each day; one in the morning and the other in the afternoon.

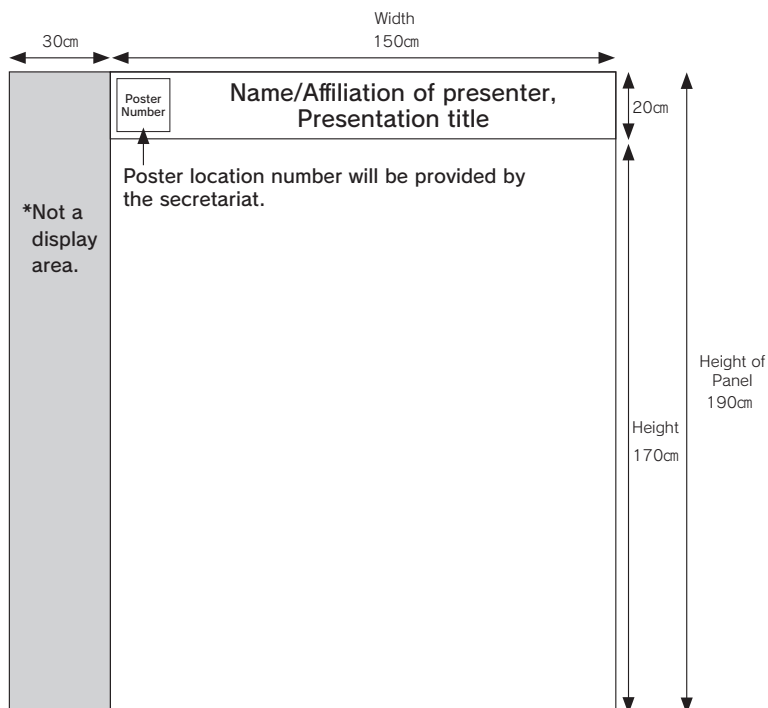

All posters will need to be mounted and removed at the times specified in the program.

- Please make your poster to fit the space within the display panel. The panel size is shown in the figure on the right.

Height: 170 cm

Width: 150 cm

*Although there will be a 30cm margin in between each panel, this space should be kept clear for the presenter to stand in front of his/her poster. Posters therefore cannot be displayed in this area.

- Please print out the title of your presentation as well as the presenter's name/s and affiliation in English and affix this information at the top of the poster display space.
- Poster presentation content (figures and explanations) must all be prepared in English.

- Poster presentation numbers are a combination of the "Session Number" and "Poster Number."
Example: P1 - 2 - 154 (Day1 - 1:AM/ 2:PM - Poster number)
- Please mount your poster in the position indicated by the "poster number" within the designated mounting time. The poster number consists of the last three digits of the presentation number. Poster numbers are already indicated on display panels. Please check your presentation session number and poster display number and make sure you mount your poster on the correct panel at the correct time of day.
- Tacks for putting up posters will be placed in a paper cup attached to each poster panel. Please do not use glue or scotch tape.
- Please attach the ribbon on your chest and stand in front of your poster panel during the presentation and discussion period listed above, and respond to participants' Questions (there will be no chairperson to move the sessions along).
- Posters will be changed twice a day, in the mornings and afternoons. Please help by taking your own poster down.
If a presenter finds his/her poster location still occupied by a poster from the previous session, please remove it, place it on the floor and set up your poster in the space.
- If you cannot remove your poster during the designated removal time, please take it down straight after the presentation time.
- Posters remaining after the removal period will be removed by the Secretariat.
- The Organizer and Secretariat will accept no responsibility for any theft, loss or damage of posters.
